

InstaBook Maker

...a writer's dream machine!

*"Invented
by
a writer!"*

*"Publish
your
own work!"*

"The Millennium Edition"

Now, faster, more compact and improved!

The world's first complete "bookmaking" system that fabricates
Perfect-Bound books in a single operation.

"YOU'VE GOT TO SEE IT TO BELIEVE IT!"

FINALLY

Desk-top publishing is a truly complete in-home possibility and what's even
more incredible, we are "literally" giving it away. For more information about
this amazing opportunity...
